TESTIMONIALS

“ I have been part of Nidhi’s live workout sessions for over a year now. These sessions are fun because she introduces new exercises in every session. I have signed up for the meal plan as well. I just feel so much stronger and healthier. As a mom and a wife, I am able to do things which I love. I just realise how important self-care is and joining the sessions was a total game changer. ”

TESTIMONIALS

“ I am with Nidhi for more than 8 months now. She has helped me reverse my thyroid and I am part of her life sessions as well. My life has change completely in terms of my stamina and my strength, the way I handle my kid and how excited I am for a whole new life. This has become a daily routine and I don’t think that I can ever give up on the healthy lifestyle. The program has introduced me to a new me. ”

TESTIMONIALS

“ Thank you, Nidhi mam, what else can I say. You are amazing in every sense, the kind of meal plans that you shared, the workouts that I’m doing with you and the follow-ups that your team is taking keeping me right on track to give my best. I never thought that I would ever participate in a marathon but this year with all the strength that I have been able to build up in your sessions, I ran Marathon and I’m so proud of myself. ”

TESTIMONIALS

“ This is my second year with Nidhi and when I look back to who I was I cannot recognise myself today. This long commitment to any program is not who I am but with Nidhi’s amazing efforts this has been possible. My whole life has changed I don’t want to give up on this. Thank you, Nidhi, for this lifestyle change for which I will always be grateful to you. ”
